Introduction:

Rewarding Doge (RDOGE) is an attempt to breathe new life into the old and original DOGE coin by adding some fun features so that all community members will love it.

Many features have been added like 1% daily rewards for all users who hold RDOGE in their wallet. No need of staking.

Maximum supply is limited. 2% RDOGE is burnt on each transaction to keep supply under check. And 2% donated to the Development Fund on every transaction which will be used for future development and maintainance tasks.
